"Fore!" Yelled Geff.  
Geff hit the golfball  
hard. Then he travelled  
in his golf cart to the  
golf ball. Geff was  
about to putt the ball  
into the hole when his  
vision went wild!

He travelled to the car lot to meet his mom. He told his mom about his bad vision. They went to the doctor's office and the doctor told Geff he would need glasses.

When Geff left the doctor's office he was wearing a brand new pair of glasses. The next day he went to school in his uniform at Fleming's Academy for Boys.

When he passed  
Gym Hafflehoff and  
his posse, Gym  
called Geff  
Sullivan a "nerd".  
Gym was the bully  
of the school and  
everyone was afraid  
of him.

After school, Gym  
punched Geff's  
glasses. They were  
cracked.

"Ha ha! See you  
tomorrow nerd!"

Gym walked away.

When Geff walked in to his homeroom, everyone laughed when they saw his glasses.

His best friend Meraslav felt bad but didn't say anything.

The next day, Meraslav felt bad that he didn't do anything. He told Geff he would go with him to the school counselor, Mrs. Kelly Vicks.

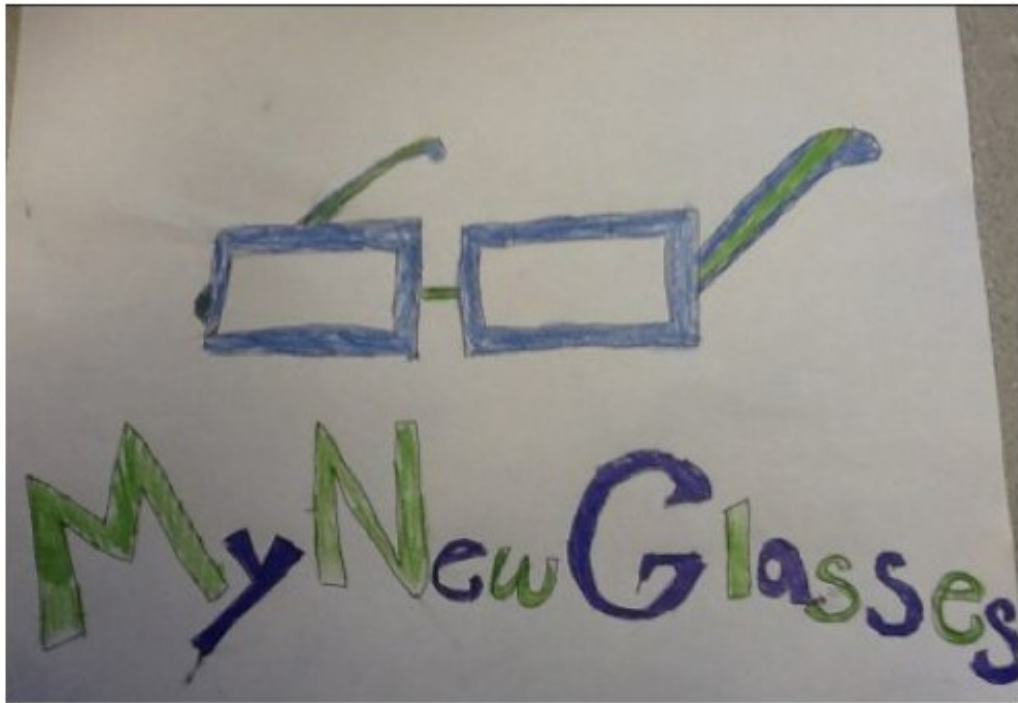

# NO BULLYING

Mrs. Vicks told Geff to believe in himself and not let Gym bully him. She also talked to Gym and told him he would get in trouble if he continued to bully kids.

The next day Gym started to approach Geff. Geff and Mera Slav remembered what the counselor said. They told Gym they would count to 5 and he would be in trouble if he didn't leave.

The next day Geff got new glasses. "Wow Geff!" Meraslav stated. "I sure like your new glasses!"
